The Second Annual Summer Youth Employment Fair, as part of the Erie County Summer Youth Employment Program (SYEP) is taking place from 11 a.m. to 2 p.m. on Saturday, June 9, 2018 at Erie Community College-City Campus, 121 Ellicott St., Buffalo NY 14203.

The job fair will include mock interviews, showing proper attire to wear and other preferred techniques as part of applying for jobs, to go along with expectations of the Summer Youth Employment Program, which opens at various Erie County worksites July 9 and concludes August 31, 2018. Erie County offers SYEP services through a partnership with local community agencies. The SYEP community agency connects the youth with local community agencies. Youth ages 14-20 and residing in Erie County can participate in the program, provided they meet various [income thresholds](#) and complete the [Required Youth Document Checklist](#).

Possible worksite field occupations include arts and recreation; community service; educational services; financial services; health care/medical; hospitality/tourism; information technology; manufacturing; day care; media/entertainment; real estate; and retail.

Worksite administrators complete and sign a program agreement establishing expectations for the program, the youth, and the worksite. As part of program regulations, worksite personnel also must attend an orientation before youth are placed for work, with the worksite expected to maintain a minimum ratio of 1 supervisor to 10 youth workers. SYEP youth are paid through the SYEP community agency, not by the worksite provider. Youth may work up to 20 hours per week and are paid the NYS minimum wage of \$10.40 per hour.
